DEDICATION

It is our great pleasure to dedicate this edition of the yearbook to one of our most loyal teachers. Throughout the years he has devoted himself to the betterment of his students, both as teachers and as coach. During his fifteen years at Manlius he has influenced the lives of many cadets through his able guidance. As a teacher of modern languages he has distinguished himself as one of the best we have ever studied under. It is with best wishes and our heartiest thanks that we, the Class of '53, dedicate this 84th Anniversary Issue of *THE HAVERSACK*

Winning five games, tying one, and losing two, the Varsity wrote another successful season into the record books.

Highlight of the season was the game with the Williams Freshmen, played here. This game found the team reaching their peak in blocking, tackling, and running. Scoring five times for a modern record in Manlius football, Bob Kyasky gave a demonstration of running the like of which has not been seen here for many years. The game was hard played and clean all the way, but Williams found our line too strong, and our backs too fast.

Colgate was too strong for us, running up a one-sided score on their home field. Valley Forge handed us our other defeat at Valley Forge, avenging a defeat at our hands last year.

The final game was played against West Point Prep at Stewart Field. Manlius was rolling in high gear and scored early and often. The line rose to great heights in holding for downs twice on the one-yard line.

Congratulations to Captain Cahill and a fine squad for a thrilling and successful season!

MacLaren scores against Colgate.

The 1953 team, first to play in the new Gym, opened play there against the Colgate Freshmen, and won this dedication thriller 71-66. The team went on from there to complete the best season in recent years with 17 victories against 5 defeats, avenging these during the season.

Only five games were against prep school competition—the others were against college Freshmen or Junior Varsity teams. Manlius averaged 76 points per game, while holding the opposition to an average of 43 points per game.

Outstanding was the team play of the squad. Many saw action, and our success was the result of teamwork rather than individual performances. We will long remember the great play of Dick Rosenthal, Lou Stark, Bob Garn, Jim Wagner, Don Axtell, Kirk Maxwell, and Irv MacLaren. The reserve play of Dick Ahrendts, Peter Beak, Lloyd Green, and Dick Foley kept many a game "on ice."

Congratulations to Coach "Whitey" Anderson and the squad of '53!

Stark tries for two in the opener.

First row: Schautz, Wyckoff, Kyasky, Church, Baratta, Thoin.
 Second row: Greenleaf, Manager; "Whitey" Anderson, Coach; MacLaren, DeVincent, Wagner, J.

Wyckoff pitches a strike against R.P.I.

The team was handicapped by the poorest spring for practice, weatherwise, in several years. Although some of our losses were close contests, we had an unfortunate season with regard to number of victories.

Kirk Maxwell was awarded the Babe Ruth Trophy for his versatility in playing three positions during the season: pitcher, catcher, and first baseman. Jim Wagner received the "most valuable player" award for his fine play at shortstop and his .464 batting average.

BASEBALL

Wagner takes a cut.

TRACK

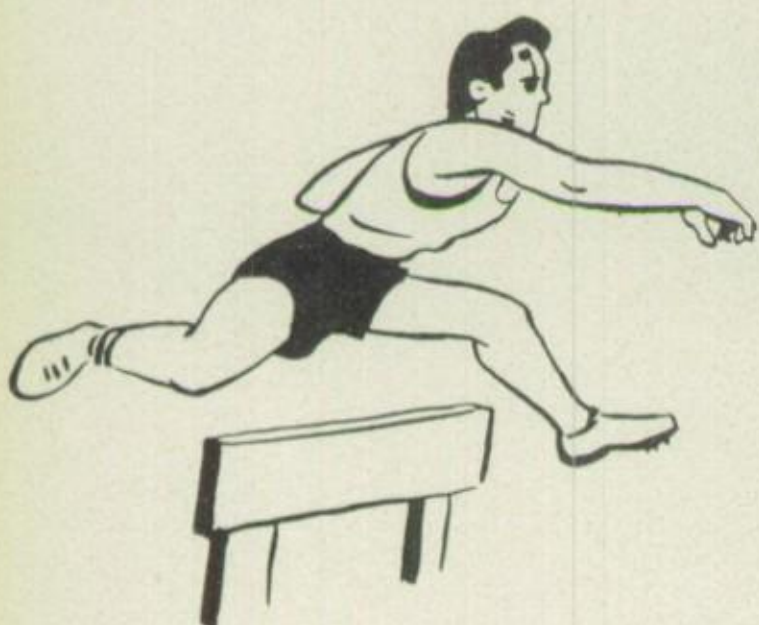

The track team completed its season with two wins and two losses. Outstanding for Manlius were Bob Kyasky, who ran the 100 in 9.6 on one occasion and never lost at this distance, Charles Sharp in the discus event, Don Axtell in the dashes, and Dick Rosenthal over the high hurdles.

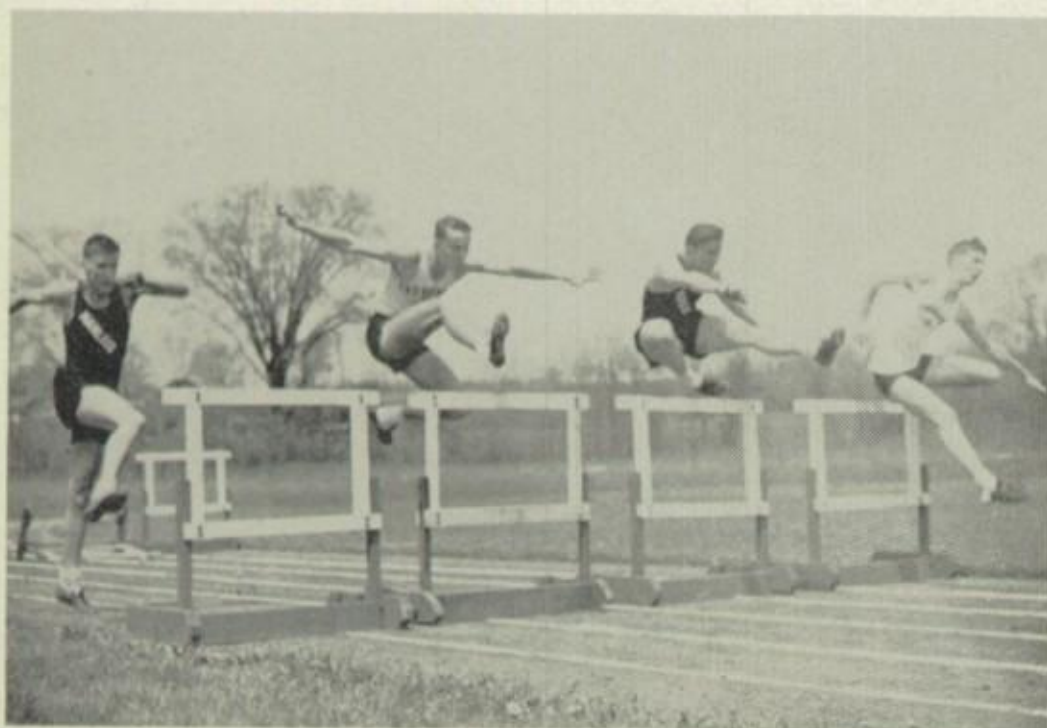

First row: Isaf, Dillon, O'Brien, Conkey.

Second row: Strumph, Sharp, Lindsay, Axtell, Gaw, Robinson, D.; Keough, Kyasky, Costa, Hecker, Ives, Manager; Mr. Foote, Coach; Ingersoll, Foley.

Kyasky wins the hundred against Wyoming.

SOCCER

The soccer team, coached this year by Mr. Nary, won three and lost three for another successful season against experienced opposition. Five of the games were played against college Junior Varsity teams. We defeated Hamilton twice by shut-out scores, lost close games to Cortland and Colgate, and were held scoreless by R.P.I.

Scrimmage!

SWIMMING TEAM

First row: Brownell, Assistant Manager; Delmonico, Reed, Trembley, Riley.
Second row: McCauley, Kesel, Smith, Hill, Wheeler, Mr. Lockhart, Coach.

The Manlius Varsity swimmers turned in a remarkable performance this year. They deserve a great deal of credit for their team spirit and determination under somewhat trying conditions. Without a home pool, the team was very fortunate to be able to practice four nights a week in Syracuse University's new pool. Handicapped by lack of sufficient conditioning, the Manlius swimmers won none of their four meets, but did provide stiff competition for their more experienced opponents.

Taking first place in their respective events were Mason Smith in the 100 yard breast stroke, Kool Ulrich in the 100 yard free style, and the 200 yard Free Style Relay Team composed of Jon Trembley, Tony Arce, Jim McCauley, and Tom Riley. Close seconds were chalked up in individual events by these and other members of the team. Although the meet scores do not look impressive, we feel that the season has been successful and that Manlius can be proud of its swimming team's performance in 1952-53.

The Cadet skiers were able to compete in but two meets this year, owing to poor snow conditions. The first of these meets was at Old Forge where we participated individually in the open downhill and slalom meet, run by the Polar Bear Ski Club. Two weeks later, the team made its annual trip to Lake Placid where we again competed individually in the New York State Slalom Championships. Meets scheduled with the Syracuse Ski Club and with Cazenovia were cancelled because of lack of snow.

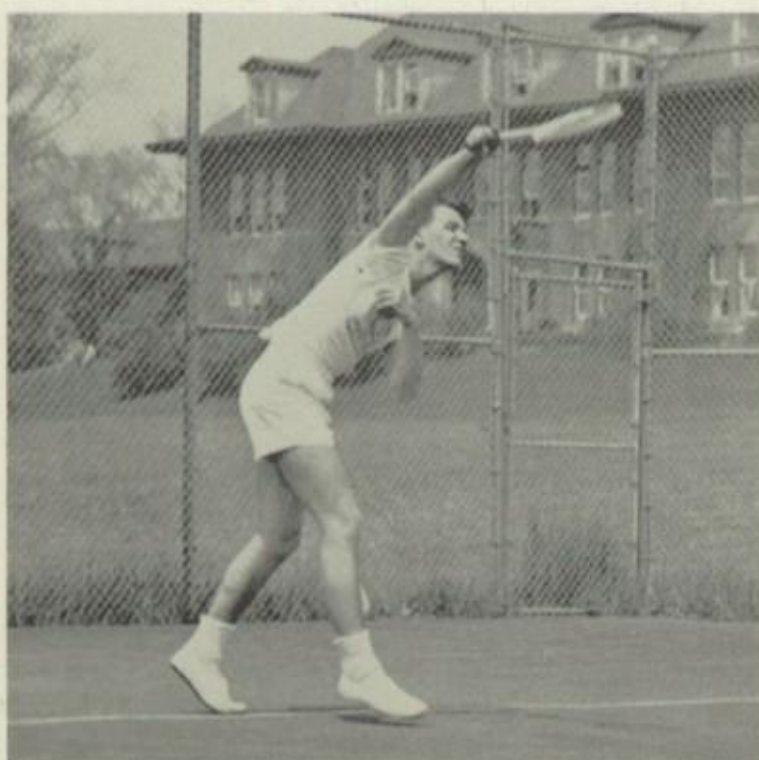

Left to right: Mr. Woods, Coach; Logan, Conley, Pick, Aronson, Broughton.

TENNIS

The tennis team played four matches this year, winning one, tying one, and losing two. Outstanding for Manlius was Peter Pick, who went undefeated and almost unscored upon throughout the season.

RIFLE TEAM

SCHEDULE

The rifle team had a most successful season. The first match, against M.I.T., proved to be a great morale builder as the Cadets turned in 1746 points to their opponents' 1589. The team dropped one match to Cornell and one to New York Military Academy, whom they had beaten earlier in the season. High scorers on the team were: Davidson, Mapstone, Rhuark, Sechtman, Probst, and Nielsen. Congratulations to Lt. Parent and the team!

WRESTLING

First row: Smith, Rudolph, Managers.

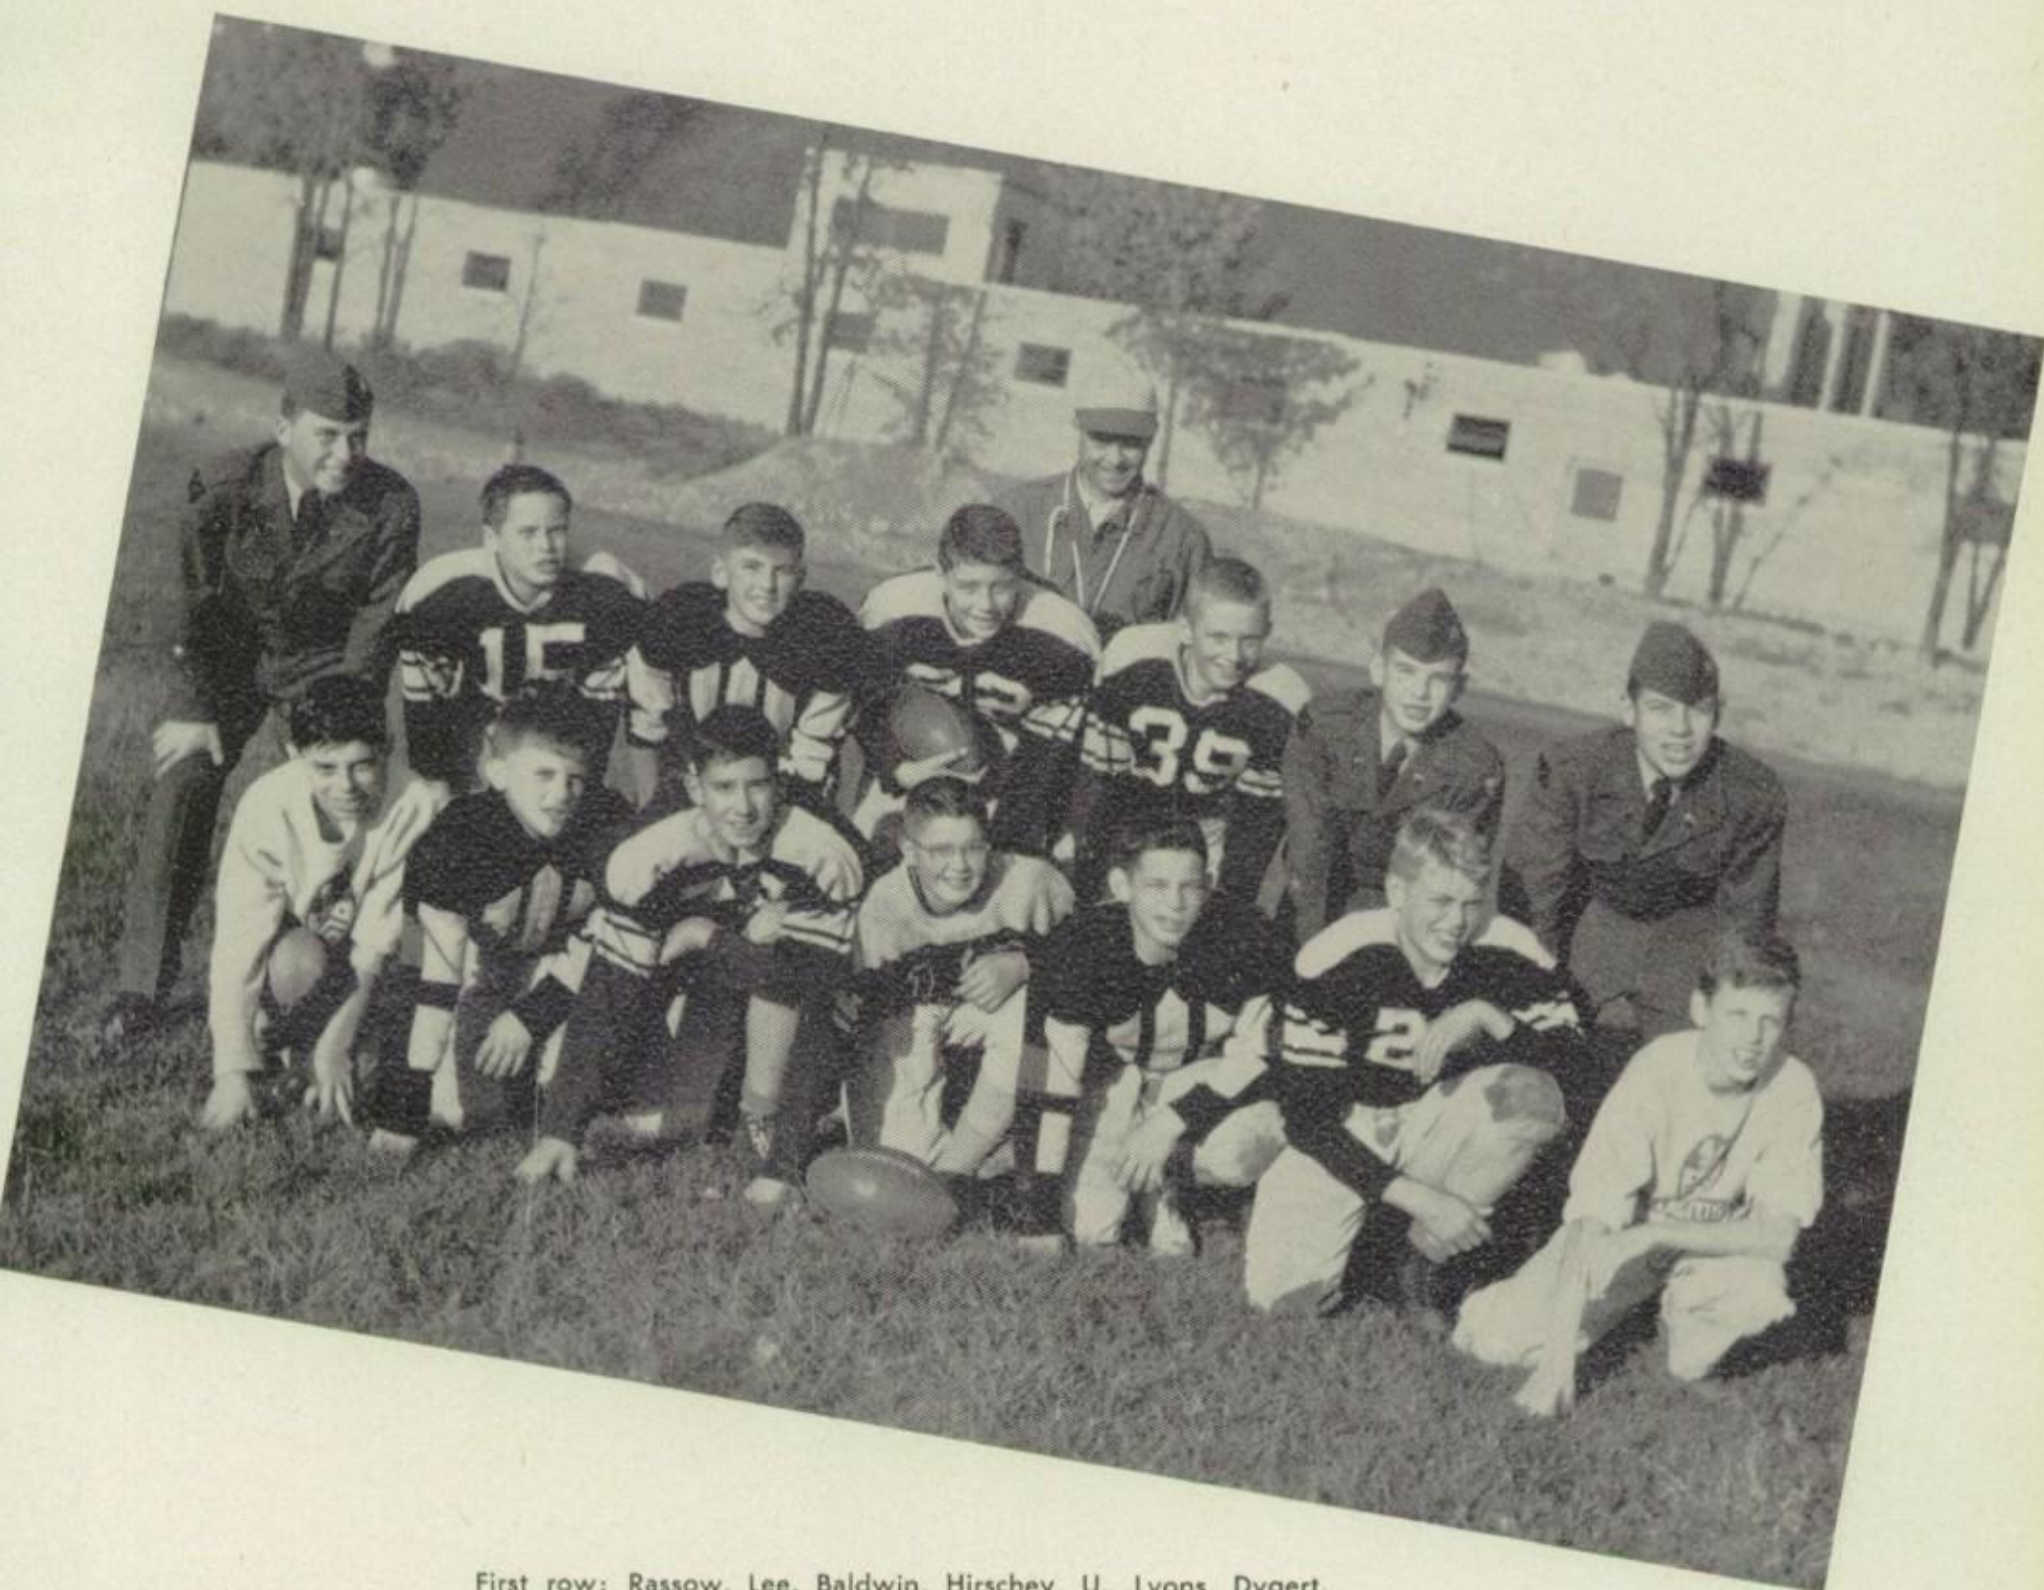

Second row: Van den Bussche, Bonifacio, Gaw, Mr. Connors, Coach; Utter, Wason.

Third row: McEachren, Horigan, Isaf, Hillmuth, Costa, Aloï.

The wrestling team, coached by Mr. Connors, Syracuse Y.M.C.A. instructor, had two meets this year. In the first meet with the Syracuse Y.M.C.A. team, we lost 36-13. The Syracuse Boys' Club defeated us in the other meet, 25-15. Although defeated in both meets, the team learned much about wrestling and hopes to have better success as this sport develops at Manlius.

WILDCATS

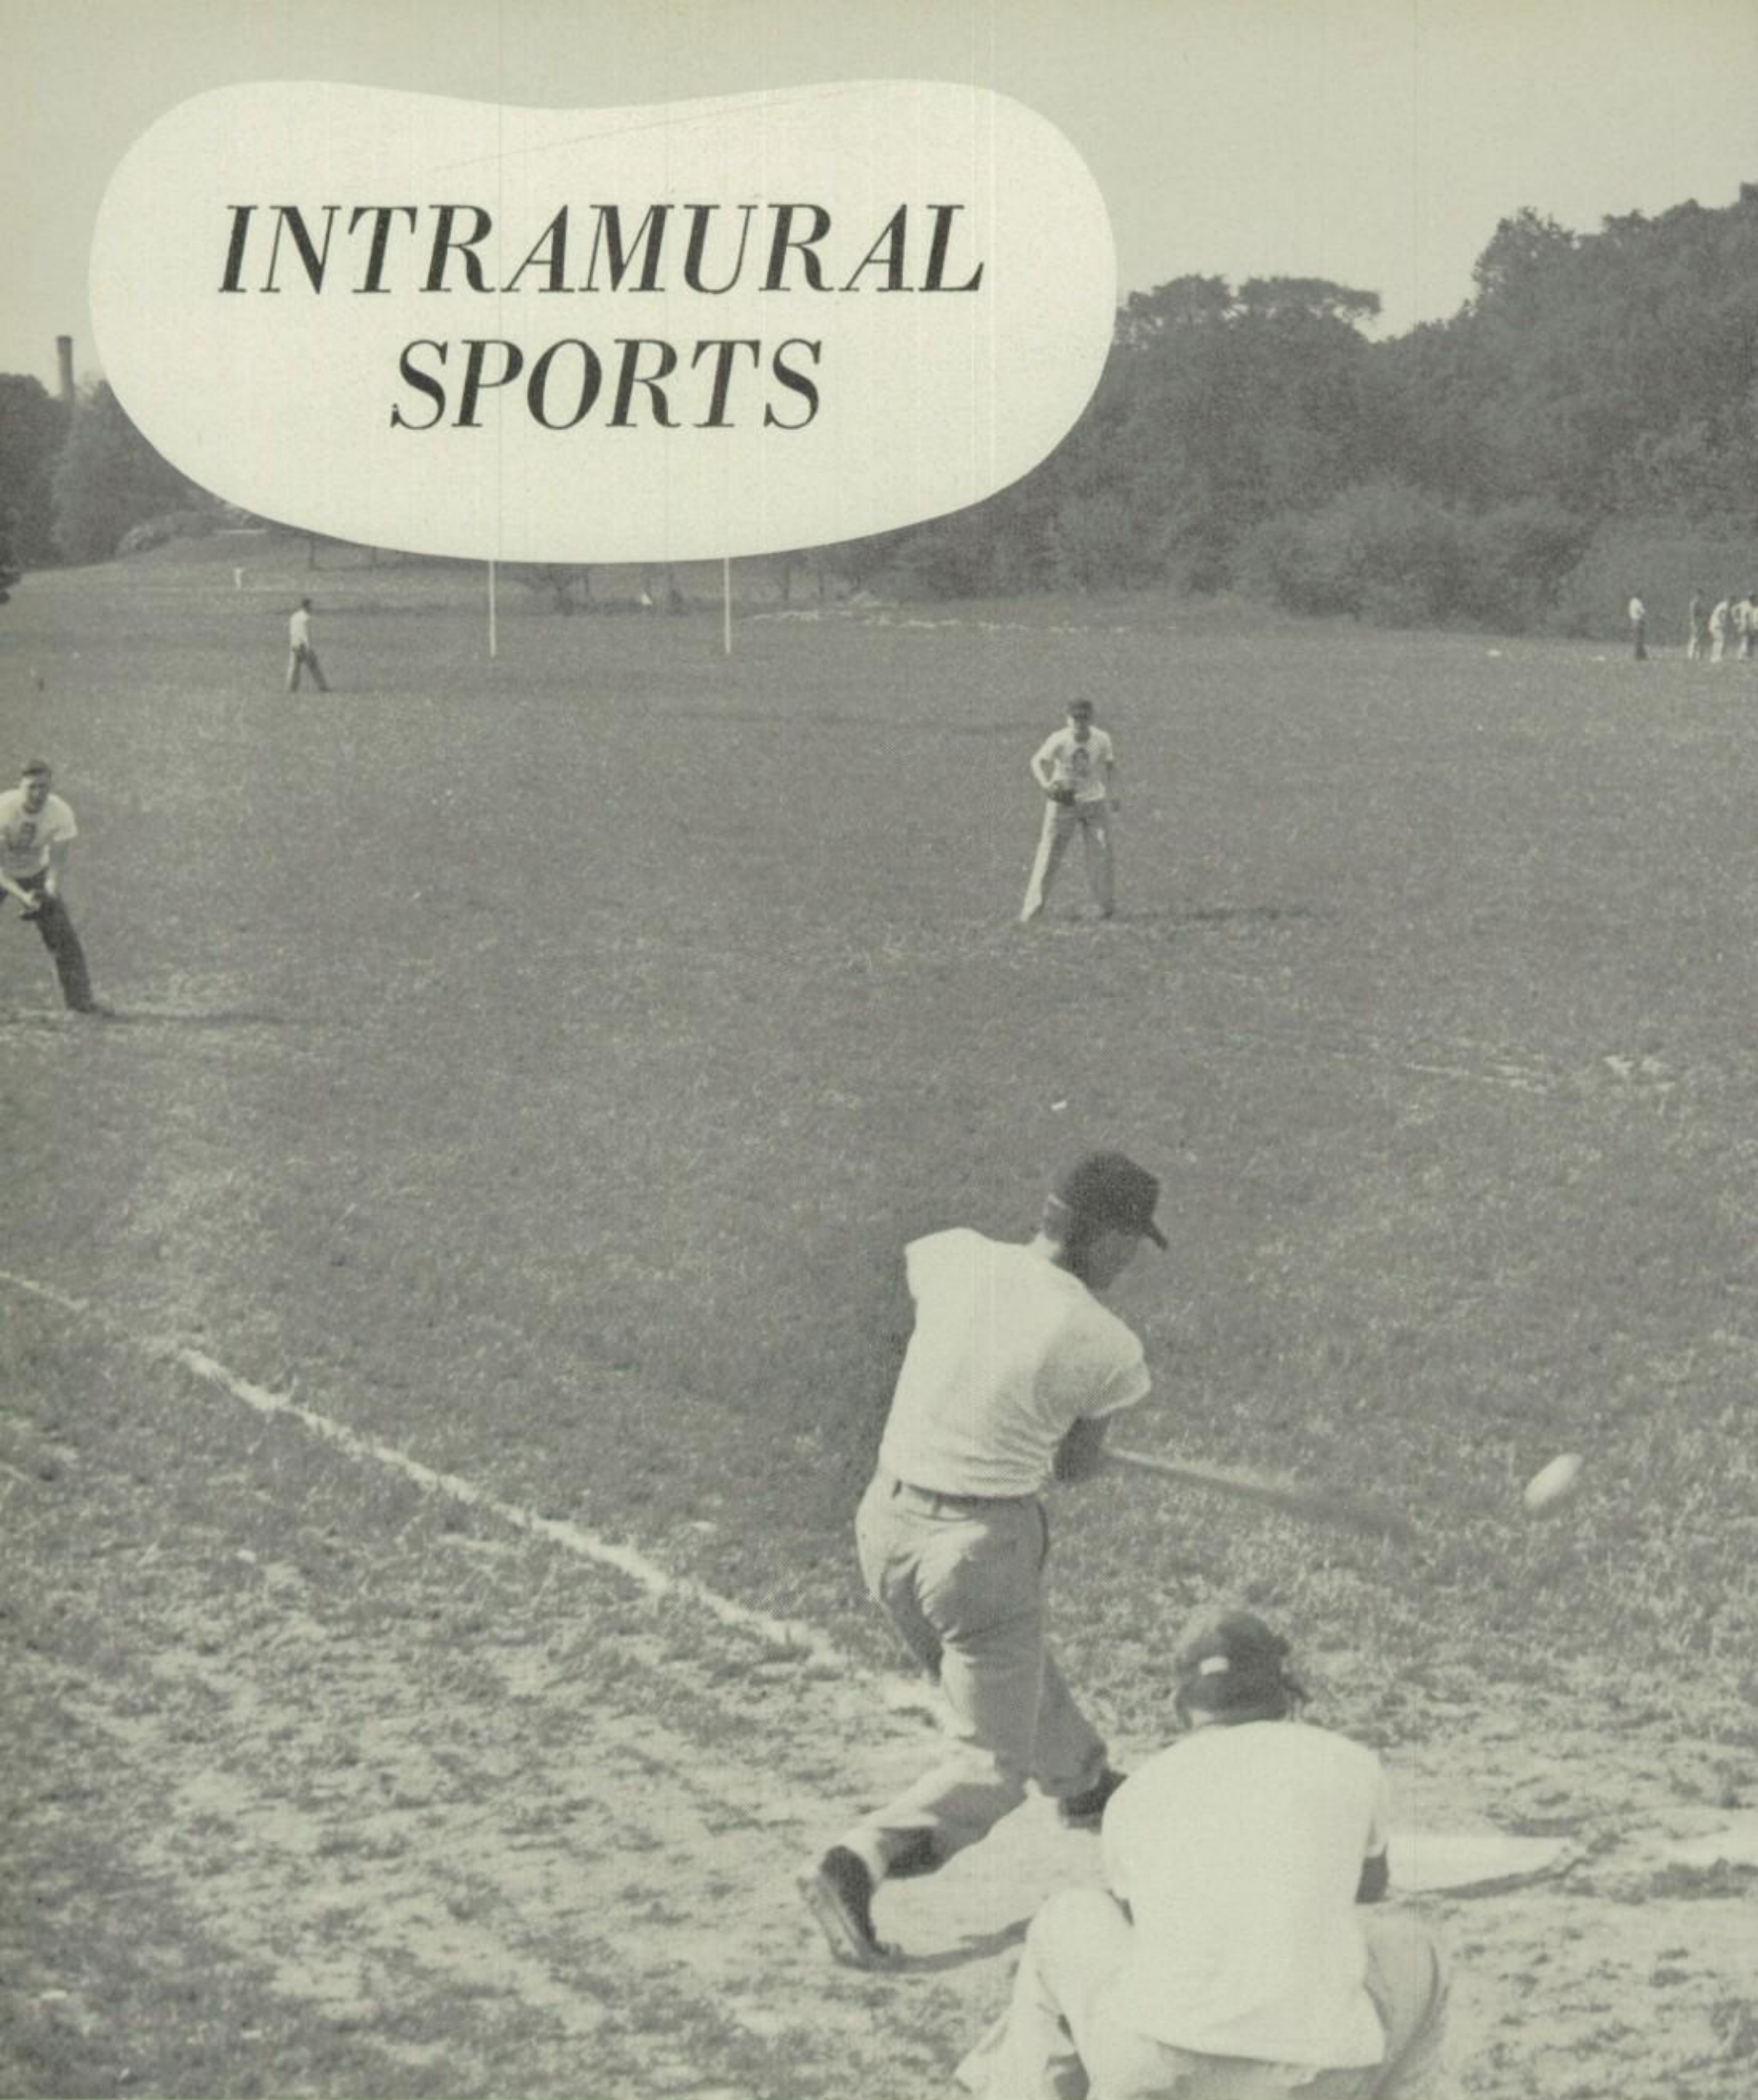

First row: Rassow, Lee, Baldwin, Hirschey, U., Lyons, Dygert, Dillon.

Second row: Travis, Spaulding, Ahles, Bellis, "Whitey" Anderson, Coach; Jetter, Graham, Dusing.

The Wildcats had a highly successful season, winning three, and losing one. Pebble Hill was defeated twice, 45-12 and 19-0. Salem-Hyde defeated us 56-6, but in the final game we defeated Lakemont 43-18. Hats off to the Wildcats!

SOCIAL EVENTS

Winter

MISS ALICE SHANNON—Queen

Cadets and guests in Phoenix Tavern.

Carnival

The Queen and her court.

On Friday afternoon, February 6, the largest number of guests to attend a carnival in recent years occupied quarters in Thompson Hall. The evening program featured a basketball game between the Varsity and the Cortland JV team. After the game, the band entertained with a short concert, and the evening closed with a square dance.

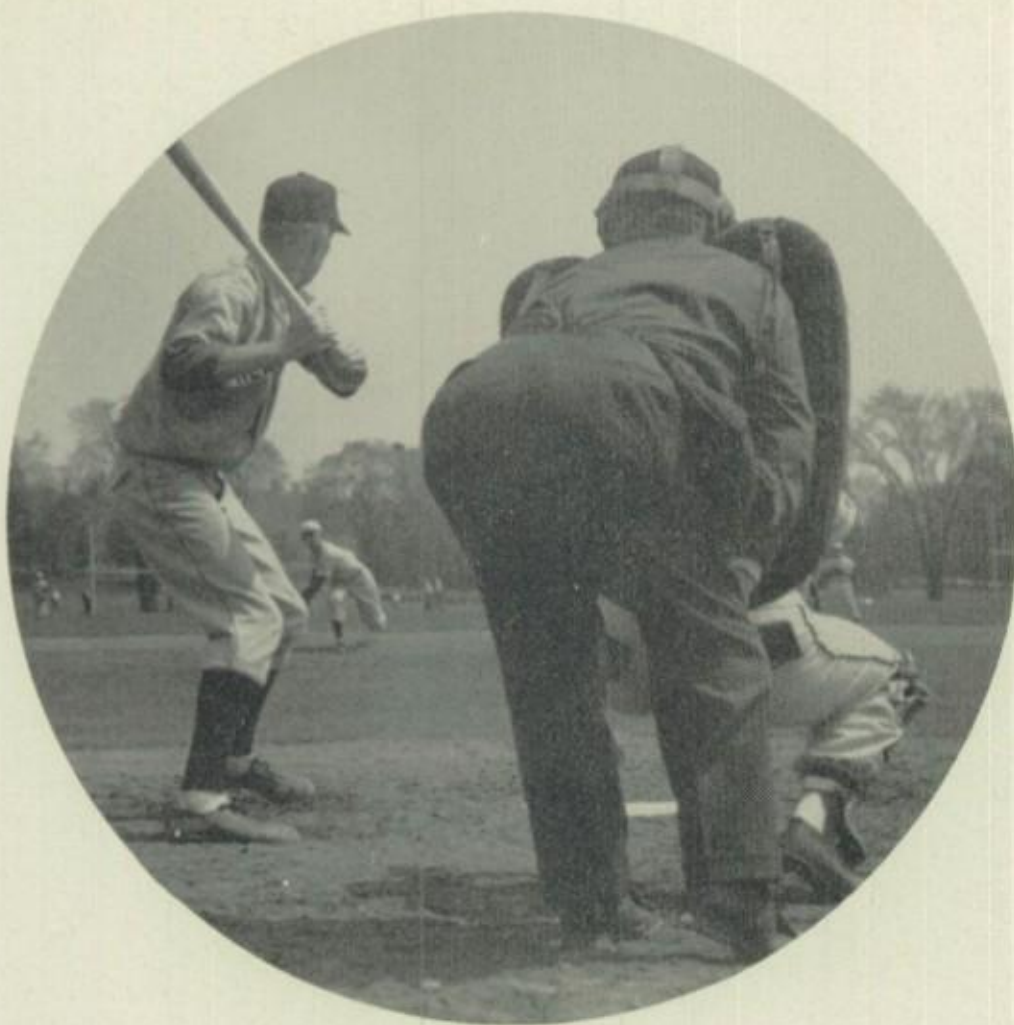

Saturday's program included a penny carnival in the gym, a basketball "game" between the faculty and some cadet experts, a Varsity game with the R.P.I. Frosh, and of course, the big event—the carnival ball.

Freddy Martin and his orchestra provided music in a colorful setting for a dance enjoyed by everyone. High point of the evening was the choosing of the Queen, Miss Alice Shannon, guest of Bill Hecker.

On Sunday, chapel services were held, and in the afternoon the carnival came to an end with a tea dance in Knox Hall.

The Queen is presented to the battalion and guests.

Father and Son Day

For the first time, the Father and Son Banquet was held on Post. The school arranged for caterers to serve smorgasbord in the new gymnasium, in a departure from the old custom of having the banquet in a Syracuse hotel. Approximately four hundred and seventy-five attended the dinner. Of this number, one hundred and fifty were fathers, the largest group ever to attend a battalion dinner.

The program for the day included a baseball game, track match in the afternoon. Following these events, a full dress retreat parade was

Faculty reception for fathers.

held, after which the faculty held a reception for fathers in Phoenix Tavern.

At seven o'clock, dinner was served in the gym where the program of the evening included short talks by General Barker, Mr. MacDonald, and Major Swaim. Entertainment was furnished by the band, the Glee Club, and the color movie of a year at Manlius. And so came to an end another pleasurable Father and Son Day.

Senior

Prom

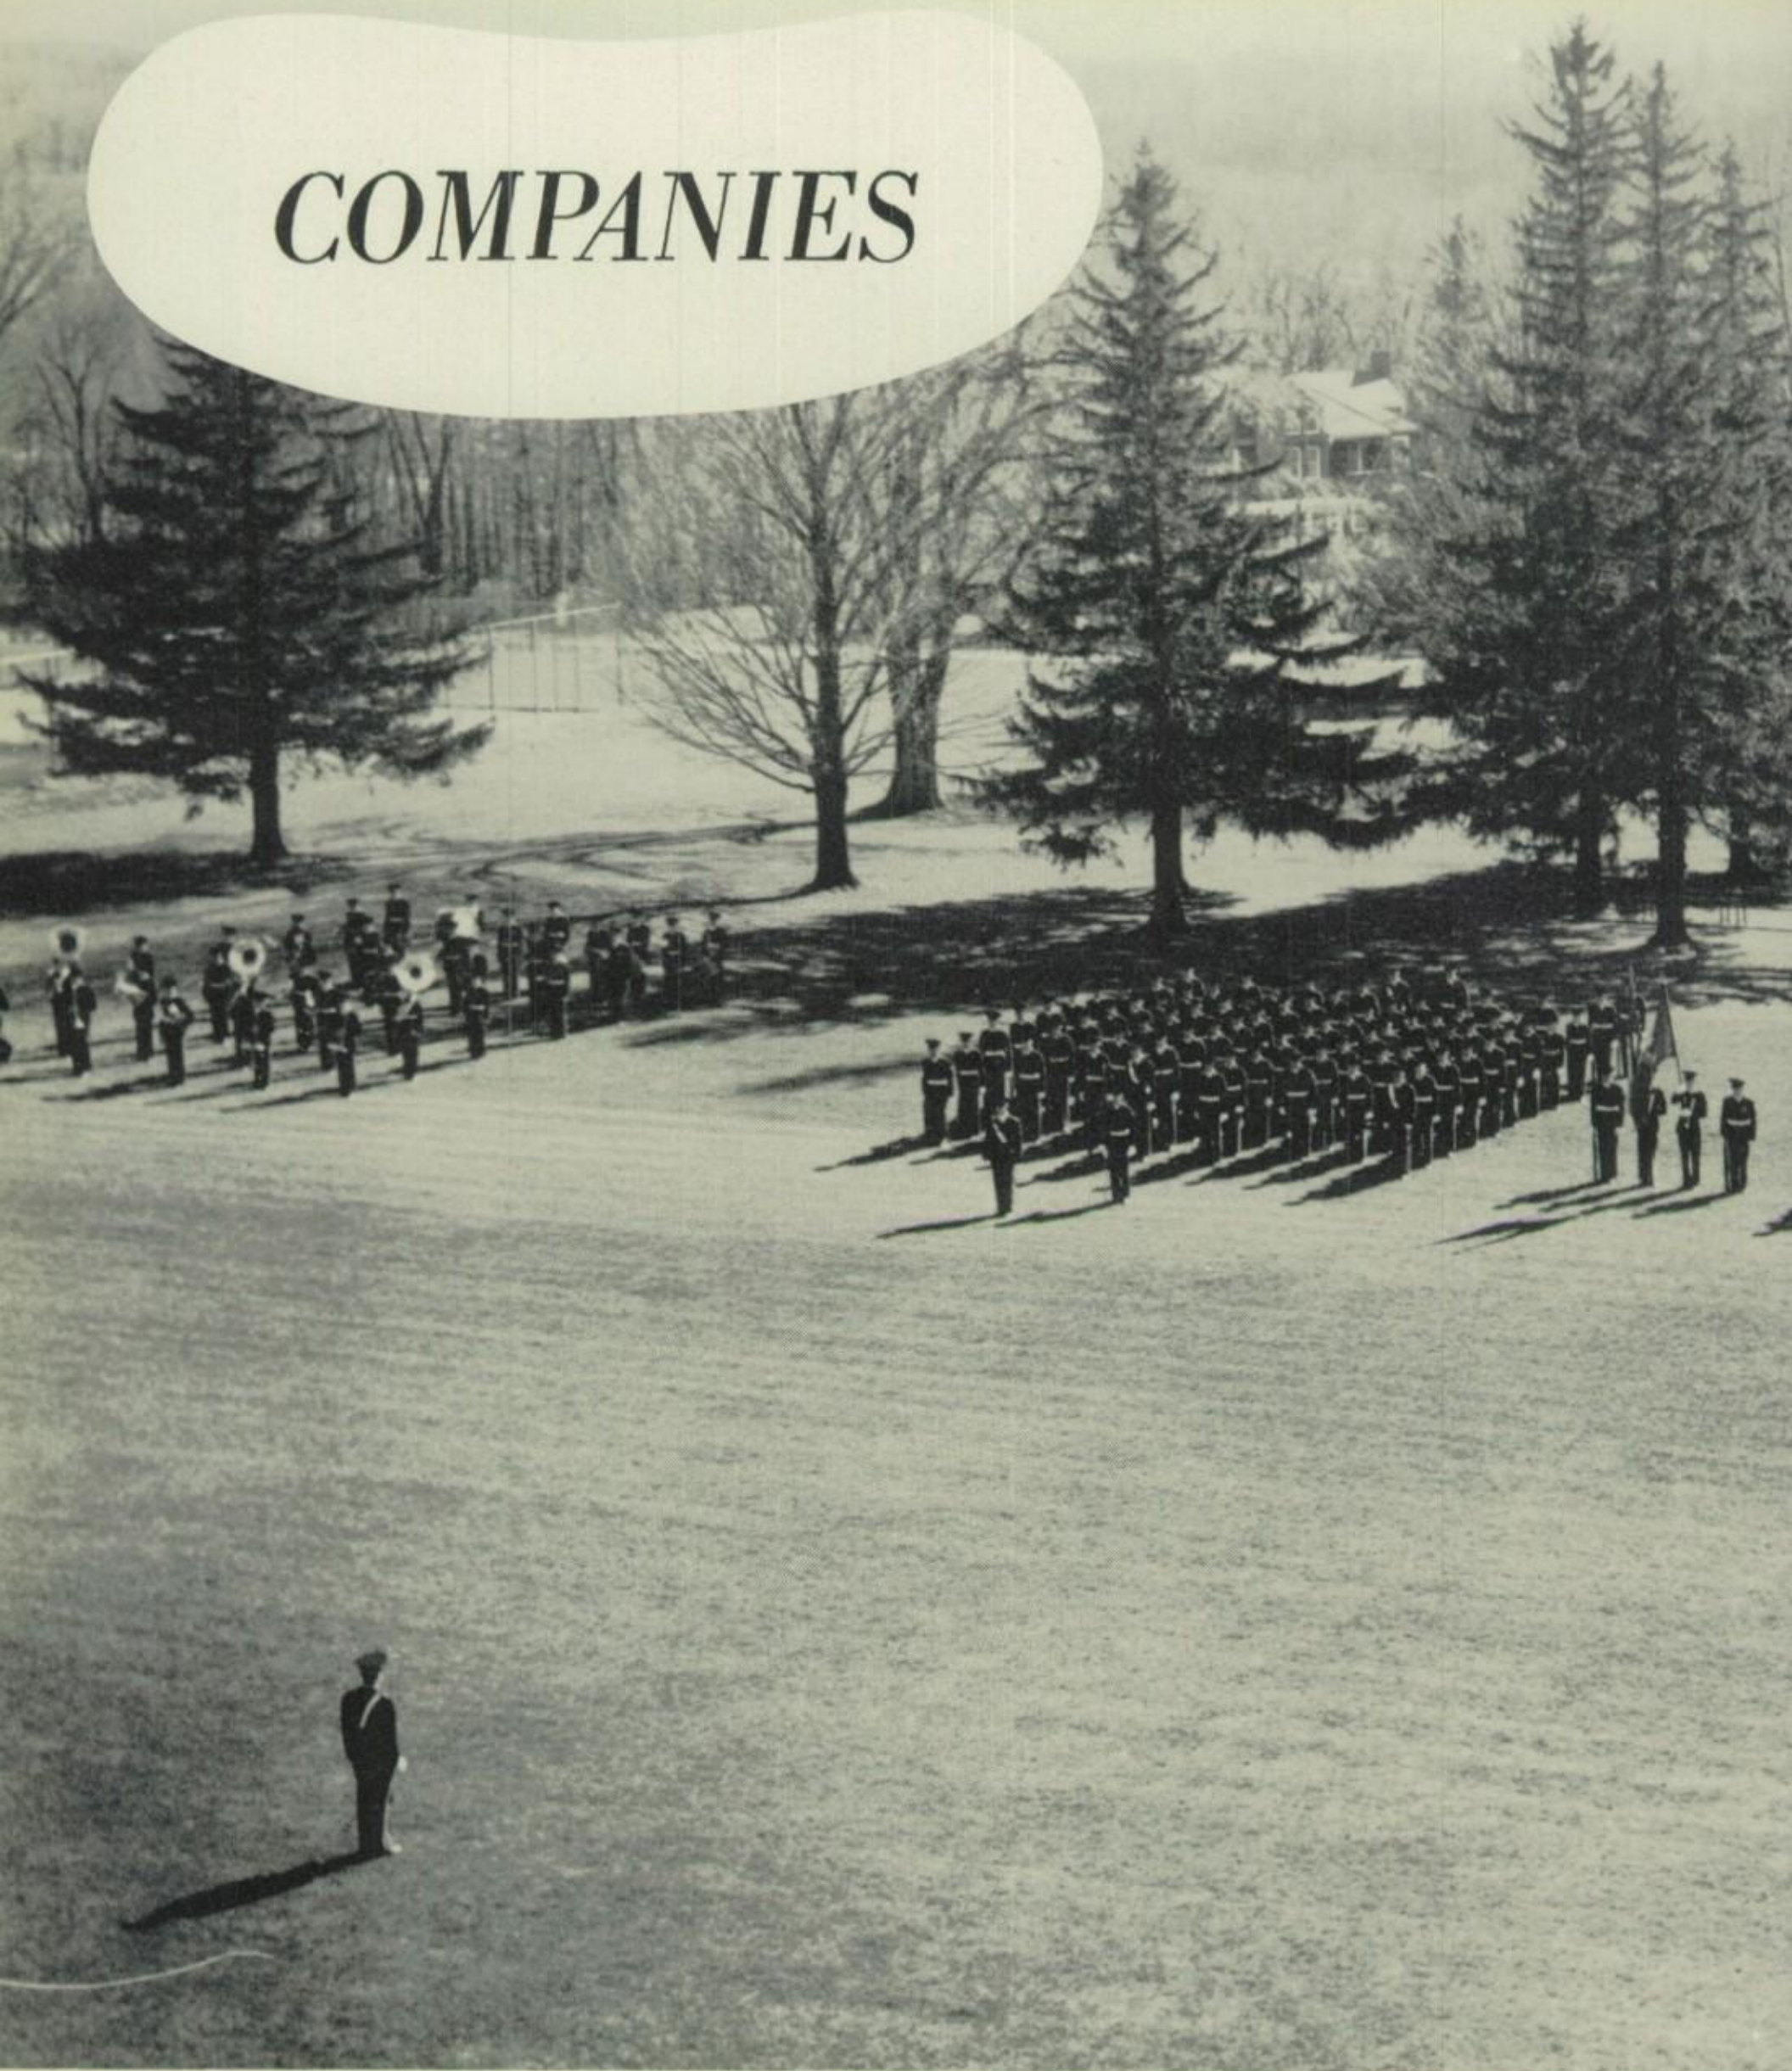

The theme of this year's Prom, Midnight in Manhattan, was softly suggested in the decorative scheme of Knox Hall as the Seniors brought to a close the social season of the school.

Music was furnished by the Varsity Orchestra which featured a small Dixieland combo that provided a change of pace so that the jitterbugs had their chance as well as those who enjoyed the dreamy fox trots and waltzes played by the main group.

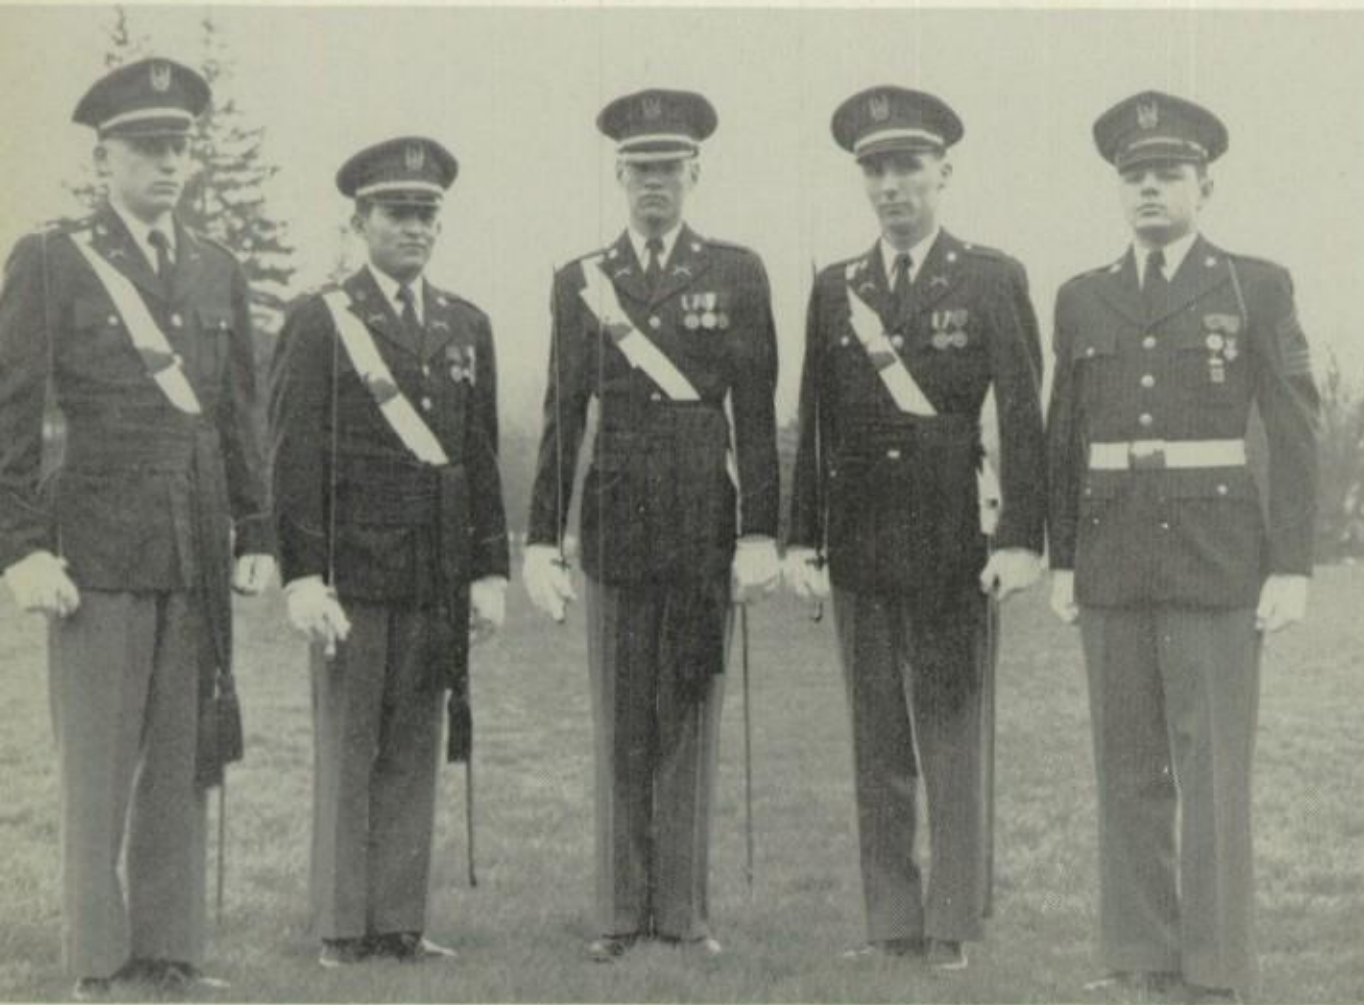

This highly successful dance will be pleasantly remembered as a fitting climax to the social events of '53.

COMPANIES

A COMPANY

We of "A" Company are very proud of our many accomplishments during the past year. At Commencement time, the climax of our competitive year came when we were awarded the Color Company Trophy as the best all-around company. We were first in intramural sports, and second in academic achievement.

Socially we had two fine parties, one at Christmas and one in June. The Non-Coms Club attended a basketball game in Syracuse and held a picnic at Green Lakes.

Our athletes made a fine showing in Varsity sports. Kielland, Rojas, Kyasky, Sharp, Capone, Robinson, Tatich, Thoin, Archambault, Schautz, Strumph, Trembley, Smith, and Beak all were outstanding Varsity competitors. We placed several men on All-Company intramural teams. In football: Trembley, Schautz, M. Smith, Lawton, and O'Brien; in basketball: Kyasky, Logan, Thoin, and D. Robinson.

Under the capable leadership of Mr. Maier, "A" Company enjoyed a fine year and really proved itself as the Color Company.

B COMPANY

This year, "B" Company again had several men on Varsity teams. Tom Wilber, Costa, DeVincent, Green, and Wagner gave a big lift to the football team. Jim Wagner was also outstanding in basketball, and Rick Wyckoff was the mainstay of the pitching staff in baseball.

As usual we placed many players on the intramural All-Company teams. In "A" League Football, Kuimjian, Sheldon, and Sen made it for "B." In "B" League Football our all-stars were Urbancic, Dykeman, and Bowne. We were co-champions in "B" League Basketball. This makes our "B" League team tops for five consecutive years. In intramural basketball we also had our share of All-Company honors; Heffron, Hinds, and Davis winning places on All-Company teams.

Socially our year included highly successful parties at Christmas and in June.

Academically, we had our troubles as a company, but next year we will try to make "B" top company in studies.

We gave the finest demonstration of drill in company competition which "B" Company has presented in many years. Our hard preparation for "comp" earned enthusiastic applause, and many thought we were the best company on the field. We are determined to take the trophy for "B" next year.

We wish to thank Mr. Grimes for his patient leadership and for his unfailing interest in the good of Company "B." Thanks, Mr. Grimes, for everything!

C COMPANY

Tying a record last established in 1900, "C" Company, for the fourth consecutive year was awarded the Military Trophy for proficiency in military activities and competitive drill. This proficiency was also demonstrated through the appearance of the "C" Company Drill Team in an exhibition at Syracuse University on R.O.T.C. Day.

Academically, we were not able to take top honors as a company, but Hal Erichs was named Head Boy, and Gene Sullivan was Head Boy of the Lower School with Jon Ives cited as runner-up for this high honor. Men of "C" Company thus took the highest individual academic awards given by the school.

Our "A" League Football team became champions of that league, and we had many players honored with All-Company ratings: Hatfield, S.; Erichs, Perkins, Bistran, Dougherty, Baratta, and Farnan winning places. We contributed heavily to Varsity squads with the services of the following players: Stark, Baratta, Garn, Maxwell, Axtell, Foley, Hecker, MacLaren, Ahrendts, Pick, Gonzales, Broughton, and Aronson.

Four company parties were held this year, at Thanksgiving, Christmas, Spring Vacation, and in June. The Non-Coms had a picnic at Green Lakes as a final event in the social life of the company.

It has been a good year for "C" Company, thanks to Captain Cahill, our Commandant, and an efficient staff of officers. Next year we confidently expect to make "C" Company the Color Company!

HEADQUARTERS COMPANY

As usual, Headquarters Company had a very successful year academically. We had the highest company average for the year, for the second consecutive year, and at Commencement time we were awarded the new Academic Plaque, given this year for the first time, in recognition of our success.

Our military standing was also high, and all year we gave the rifle companies real competition for the trophy.

In intramural athletics our teams were lacking in personnel and had a great deal of difficulty in defeating other teams. We tied with "B" Company for first place in the "B" League Basketball standings, but were not able to take top honors in other sports. All-Company honors went to Church, Hider, Howard, Keough, Larson, Nielsen, and Wetzel.

Many men of H.Q. showed excellence in athletics and were valuable to Varsity teams. Varsity players were Chequer, Church, Crawford, Henion, Howard, Keough, Larson, Parrish, and Wheeler.

There were only two company parties this year, as most of the company fund was used for furnishing the company room. These parties were highly successful, however, and will be long remembered.

The band suffered a great loss when Mr. Weit left in September. However, the fine spirit of our new Commandant, Mr. Milliman, kept the company in top shape. We wish to express our thanks both to Mr. Weit and Mr. Milliman for all they did for us.

Mr. Jolly, our new director, brought the concert band and the marching band to a high peak of performance, and we pledge him our full-hearted cooperation for the band of next year.

CLUBS AND ACTIVITIES

Left to right: Miller, Kuimjian, Stalford, Mr. Sherman, Adviser; Mr. Lockhart, Adviser; Zahm, Heffron, Angelakos, Kasting.

HAVERSACK CLUB

BOB MILLER
Editor

As usual, club activities took the form of planning and producing the '53 edition. Early meetings were given over to laying out the general structure of the book, securing patronage, photographic coverage of fall events, Senior portraits, biographies, and the like. In the winter term we designed the cover and specific page layouts. The spring term was devoted to completing the plan and final assembly. Once again, we wish to thank Mr. Jenks for his photography. We think pictures "make" a yearbook, and we certainly owe him much.

It is no mean task to produce a yearbook. We've done our best, and we hope you like THE HAVERSACK for '53.

WINDMILL

With a smaller staff than usual, much of the work of producing the paper fell upon too few shoulders to carry out the entire schedule of publications planned.

Almost single-handed, Mike Horigan handled sports coverage. The services of Bob Woggon, Ted Muller, Dick Montgomery, Joel Aronson, Dick Englander, and Emmet Greenleaf combined to give WINDMILL the necessary coverage for our issues. They deserve credit for a job well done.

Following our custom of the past few years, we distributed our final Commencement Issue to cadets and guests minutes after the awards were made and the ceremonies completed in Knox Hall.

CHESS CLUB

First row: Kreitzberg, Delmonico, Thorpe, Kesel.
Second row: Pick, Mr. Patten, Adviser.

Activity in the Chess Club took the form of match play. Several rounds were enjoyed by members of the club. On the basis of such play, the outstanding player of the group this year was Peter Pick.

The Rifle Club, using the facilities of the range in the new gym, had an enjoyable season. Principal activity of the club was the practice of rifle marksmanship, with informal "matches" a pleasurable feature for those who have the "dead eye."

First row: Bolich, Axe, Edwards.

TRAVELLERS CLUB

Left to right: Ives, Mapstone, Conkey, Bruck, Mr. Wight, Adviser; Ahles, Parker, Brownstein, Berg.

Featuring a program of geographical films and slides, the Travellers Club has become an interesting and popular new club this year. Officers were: Jon Ives, President; Jack Kehoe, Vice President; and George Ahles, Secretary.

Members of the Camera Club have been active in taking pictures and in learning how to use the facilities of the dark-room in problems of development, enlargement, and other features of picture production.

Left to right: Packer, Travis, Mr. Jenks, Adviser; Freedman.

CAMERA CLUB

Left to right: Sullivan, Ziebarth, P.; Demeree, Ziebarth, J.; Hubbard, Wilcox, Aloï, Shanebrook, Tamblyn, Dr. Williams, Adviser; Hirschey, U.

SCIENCE CLUB

Members of the Science Club carried out individual projects for learning and using the scientific method of investigation in the fields of biology, general science, chemistry, and physics. Discussion centering in specific topics of special interest proved to be enlightening and profitable.

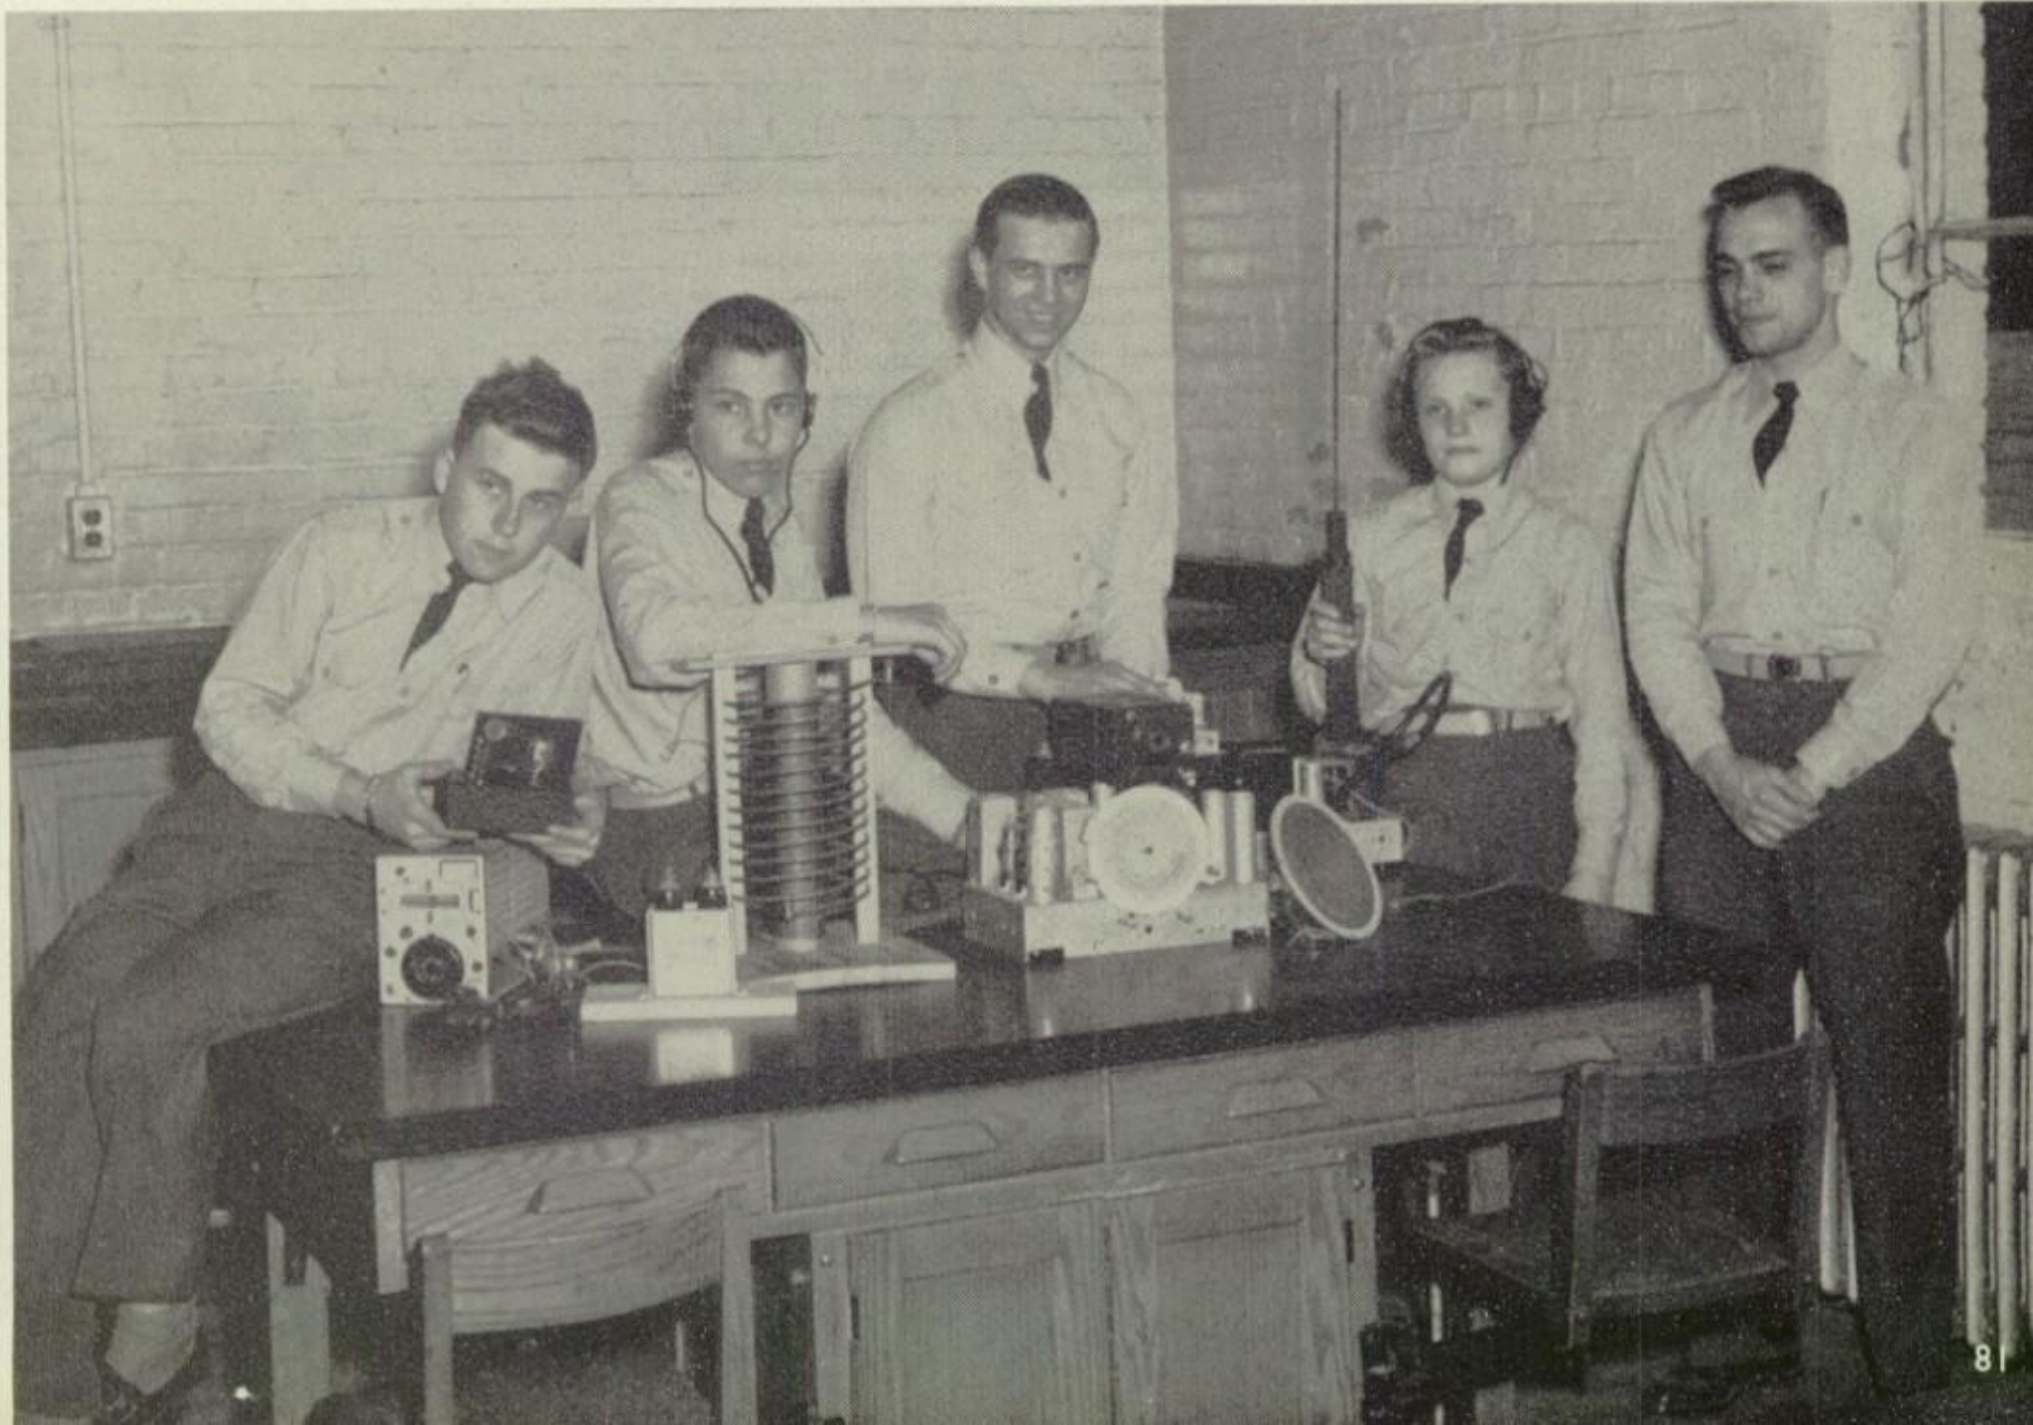

Officers voted upon in the fall, were: Eugene Sullivan, President; Robert Demeree, Secretary-Treasurer.

RADIO CLUB

The activity of the Radio Club this year centered in projects of an individual nature. Theory and practice in the design and construction of radio were fused in the making of small radio receivers. Other projects included the design and construction of an electric eye, and a small wireless transmitter.

Officers of the club were George Cargin, President; and William Travis, Secretary-Treasurer.

Miniature Wardens Crosses were awarded for the second time to: Bruce Badger, Douglas Betts, Jack Ettinger, Bruce Henion, Lawrence Hider, Lee Hirschey, Terry Inwood, Arthur Hatfield, Sanford Hatfield, Willis Miller, Philip Thorpe, and Frank Webster.

Gold Crosses were awarded to: Ronnie Ingersoll, David Kennedy, Richard Montgomery, James Nielsen, Peter Parrish, George Tamblyn, Philip Thoin, Jon Trembley, Richard Williams, and Robert Woggon.

Cadets advanced to the post of Associate Chapel Warden were: George Ahles, George Bolich, Howard Conkey, Philip Crippen, Anthony Dillon, William Gorke, Urban Hirschey, Courtney Packer, Mark Van der Kloet, Ralph Van Norstrand, and Paul Ziebarth.

Seated: Mr. Nary, Director.

Left to right: Lees, Capone, Horigan, T.; Lindsay, Kennedy, Wyckoff, Lewis, Simmons, Tindall, Kuimjian, Inwood, Keough, March, Larson, Lenna.

GLEE CLUB

A new club this year, the Glee Club has been one of the most active in school. Headed by the able Mr. Nary, the club has had two appearances which it shared with the school band. Final public appearance of the club was at the Father and Son Banquet where it was warmly applauded by the battalion and guests. Hats off to a popular and well-trained singing group!

GOVERNMENT

Coming on Thursday and Friday, April 9 and 10, the annual Government Inspection was earlier this year than usual. The first event was a formal field inspection of the battalion on the Comstock Parade Field. Then, as usual, individual companies were inspected in different military activities. Company "C" was inspected in combat formation and drill; Company "A" demonstrated rifle marksmanship; "B" Company was inspected in interior guard duty; and H.Q. Company exhibited physical activities drill.

INSPECTION

During the afternoon, classes in military science subjects were inspected, and the first day of G.I. closed with a full dress retreat parade.

Inspection of Barracks was made on the morning of the second day. As usual, our preparation for this inspection had us scrubbing, washing, wiping, scraping, shining, and polishing like mad—but when the time came we had good reason to feel that we had done an honor school job once more.
